

King's University College Applicant Profile

Kings recognizes that extenuating circumstances and extra-curricular activities can affect an individuals academic performance.

This Applicant Profile is voluntary. For those students who may not achieve the admissions average, but expect to earn a minimum of 75%, we encourage the submission of this form. This form, and the attached materials, will be considered (in addition to the grades) in a confidential process by the Kings Admissions and Enrolment Committee.

Due Date: May 1

INSTRUCTIONS

If you would like to let us know about any extra-curricular activities or extenuating circumstances as they apply to you please read the following instructions carefully and submit an Applicant Profile if you feel it will help us in assessing your admissibility. It is not mandatory to submit this Profile. Applicant Profiles will only be reviewed for students who present a minimum of 75%.

In order to let us know about your particular situation please follow these instructions:

1. Submit this Applicant Profile if applicable circumstances exist;
2. Please attach a typed explanation of your personal situation and concisely incorporate all applicable information pertaining to extenuating circumstances or extra-curricular activities. You may respond to either category (extenuating circumstances or extra-curricular activities) or both if applicable. Please include a description of your study plans at King's and how you believe you can reach your goals in light of these extenuating circumstances or extra-curricular activities;
3. Supporting documentation must be submitted. In addition to your typed letter, we strongly suggest that you provide documentation.
